DAY 1

Meet the Crew

Airport Costume Takeover

Pre-flight Drinks

98ft Yacht Party

Exclusive Chartered Island

When you arrive at the airport, you'll spot the Rock Island crowd dressed in their themed outfits while our team handles the check-in process. Grab your Rock Island welcome bag and our crew will tag your luggage so it's ready to be delivered to your room.

After check-in, make your way through customs and join the group for some pre-flight drinks. Just remember not to go too hard yet, we have five incredible days and nights ahead!

When we land in Fiji, you'll be welcomed with a warm "BULA!" Our chartered coaches will be waiting and clearly signposted for you to hop on. From here your bags will be taken care of and delivered directly to your room while we take the scenic route to our privately chartered 98-foot party yacht, complete with a massive sound system, live DJs, and a fully stocked cash bar. It's the perfect start as we cruise to our exclusively chartered island for your very first night of partying in paradise.

DAY 2

-  **The Legendary Sandbank Party***
-  **Snorkelling & Mini Golf**
-  **Scuba diving & Surf trips***
-  **Bogan Bingo**
-  **Main Stage**

Rise and shine, your alarm is a sunrise over the Pacific and a buffet breakfast with your name on it.

To keep the good times rolling between the big nights, there's heaps of free stuff to get into. Grab your snorkel and get amongst the reef, or challenge your mates to a round of mini golf. Bragging rights included, free of charge. Want more? Sort yourself out with scuba diving, surf trips, or if your body's begging for mercy a well-deserved massage.

Keep an eye out our Locals vs. Trippers challenges. Win, and you're walking away with a bar tab and the right to never let anyone forget it. It all kicks off with an absolute weapon of a tug-of-war. Get amongst it.

Then the tide drops and that's when things get proper legendary. We wheel out the speakers, fire up a pop-up bar, and throw the Sandbank Party right in the middle of the ocean.

Back on the island, get your best bogan on. Dust off the stringer, crack a cold one, and get ready for the one, the only, Bogan Bingo. It's exactly as ridiculous as it sounds, and we absolutely love it for that.

As night falls, head to the Main Stage for our live DJs and bands!

DAY 3

Underwater Sound System, Snorkelling

Beach Hut Games

Parasailing, Fishing & Scuba Diving*

Open Decks/ Open Mic

The Rock Island Pub Quiz

Main Stage

Every morning we drop our crystal-clear speakers into the ocean, hop on the boat, and take you out for a snorkel session with a full soundtrack. Best hangover cure on the planet.

Back on land, it's time to settle some scores. The volleyball nets are up and the locals are ready to take you on! Grab your roommates, grab your new mates, and bring the energy.

Keep an eye out for the pop up Beach Hut Games. All your favorites, giant jenga, beer pong and so much more!

Throughout the day, we will be set up on the beach for our Open Mic session. Cold drink, warm sand, absolute tunes. All talent levels are welcome.

As the afternoon rolls in, it's time to put those brain cells to work at the Rock Island Pub Quiz. After everything you've been through this trip, let's see what's still firing up there.

Follow the music to the Main Stage for our roster of live bands and DJs.

DAY 4

-  Underwater Sound System, Snorkelling
-  Onsite Massage & Spa*
-  Handline Fishing*
-  Cloud9 Floating Bar*
-  Main Stage

Start your morning with a brekkie, pull up last night's photos, and enjoy the memories with your new best mates.

If your body's waving the white flag, treat yourself to a massage at the island's onsite spa. From traditional Fijian Bobo deep-tissue massages to hydrating island wraps using infused coconut oils, Beachcombers Spa is your go-to sanctuary.

Experience traditional Fijian handline fishing! Reel in local species with expert guides with all gear provided. Feel the thrill as you cast your line into crystal-clear waters, enjoy the serene beauty of the Fijian islands, and perhaps even catch your dinner. Perfect for all skill levels.

Got tickets for Cloud 9? This is a two-level floating bar sitting right in the middle of the turquoise Pacific, sun on your face, our DJ pumping tunes, and not a care in the world. It's one of those Fiji experiences you simply can't miss.

To close out the night we have our DJs and live bands on the Main Stage, because at Rock Island we don't do quiet endings.

DAY 5

Malamala Beach Club*

Traditional Kava Ceremony

Lovo Dinner & Performances

Fire Dancers & Fireworks

Finish this incredible week with a visit to Malamala Beach Club, the world's first beach club set on its own private island. The add-on includes the boat transfer, club entry, and FJD \$100 to spend on Malamala's Pacific-inspired food menu and a selection of handcrafted cocktails by the pool on your final day before departure.

If you want to stay on the island, unwind at the pool bar, book a day bed, go snorkeling or take on your friends at mini golf. There is always something to do on our island.

To close this unforgettable journey, you'll also take part in a traditional Kava ceremony, where you'll learn about the cultural significance of this special Fijian tradition alongside our Beachcomber family. Learn how the baskets are weaved and food is prepared for the Lovo feast, then watch it cook from the swim up bar.

The evening continues under the stars with a traditional Lovo feast, authentic Fijian dance performances, and spectacular fire dancers. We'll then celebrate one final night in paradise with an incredible fireworks show to end the trip in style!

DAY 6

-  Sunrise sail on our 98Ft Yacht
